

NEW DAWN

Please stay up with Me
All through the night (Please stay up with Me)
Till new morning light comes out
Please keep watch with Me
And stay
Awake
With Me

Those you've given Me (Those you've given Me)
I have lost none (None you've given Me)
I have loved them all as You
You have loved Me

I am the way
The Truth the life
I have come here
To end the night
Please don't leave Me now (Please don't leave Me now)
Before the new dawn
New dawn

Now the time has come (Now the time has come)
O Father God (Glorify your son)
That I may give life to all
May give life to all

I am the way
The Truth the life
I have come here
To end the night
Please don't leave Me now (Please don't leave Me now)
Before the new dawn
New dawn
