

PRAYER

In the dark of night
In the light of day
I seek to find
I grope for the way
To a place of rest
A time of peace
A land of truth
A calm release

My Lord my God my hope my stay
My shield my power to you I pray
Your love your heart to me reveal
My sin forgive my soul to heal

Every peak I climb
Every valley low
There is more to find
There is more to know
Though I lose my way
I lift my eyes
In my deep grief
I raise my cry

My Lord my God my hope my stay
My shield my power to you I pray
Your love your heart to me reveal
My sin forgive my soul to heal

Amen
