

STREETS OF GOLD

The cities of the world fell that day
When God came to Earth from far away
The kingdoms of men were all overthrown
The evil one was chained and bound
And then the chosen could say

I'm on my way to Jerusalem
The city which lights the world
My God who lives in Jerusalem
Says I will see streets of gold
Yes I will see streets of gold

The living waters began to flow
Compassion and love began to grow
The stony heart was made humble and meek
Their God the people came to seek
And then His chosen can say

I'm on my way to Jerusalem
The city which lights the world
My God who lives in Jerusalem
Says I will see streets of gold
Yes I will see streets of gold
I will see streets of gold

Then after one thousand years of peace
She came from heaven great joy increased
And her light was like a most precious stone
A bride adorned for Him alone
And then His chosen will say

I'm on my way to Jerusalem
The city which lights the world
My God who lives in Jerusalem
Says I will see streets of gold
Yes I will see streets of gold
I will see streets of gold
