

VICTORY

Words and music: Richard Kmodras

VERSE 1

At the end of time
By the dawn of light
Is a morning fine
Dazzling, splendid sight
Clear and bright
Never there before the end of time

VERSE 2

By the fall of days
When the sun rays shine
Healing seas and lands
As the people rise
Far and wide
Never there before the end of time

CHORUS 1

A sound I hear
A voice so clear
Rings out from far away
Far away

VERSE 3

At the close of night
When the pain is gone
Born of spirit light
And the word of God
Bright new dawn
Never there before the end of time

CHORUS 2

I'm free, I am free
My sweet victory
He calls by my name
My name

BRIDGE

Fallen down, I will rise
To a life in paradise
Once dead, I am alive
Alive

CHORUS 3

A sound I hear
A voice so clear
Rings out from far away
Far away

I'm free, I am free
My sweet victory
He calls by my name
Here I stay
Forever
