

WHO RULES OVER THE EARTH

Declare the kingdom to all the world
Reveal the good news to all nations
Pronounce the name of God, your king
The one who rules over the earth

Declare the kingdom to all the world
Reveal the good news to all nations
Pronounce the name of God, your king
The one who rules over the earth

Have I said and I will not do it?
Have I spoke and will not fulfill it?
I am God, alone, no other god can be like me, like me
I make known the end from beginning
Long ago what is still coming in
What I say will happen as I say, and as I please, I please

Declare the kingdom to all the world
Reveal the good news to all nations
Pronounce the name of God, your king
The one who rules over the earth

Who's like me, who will compare to me?
Who can be your God eternally?
Remember you, the things I've done for you thru all the years,
the years
I made you, and I will care for you
I saved you, and I will carry you
I have cared for you since you were made 'til you are grey, are
grey

Declare the kingdom to all the world
Reveal the good news to all nations
Pronounce the name of God, your king
The one who rules over the

The one who rules over the
The one who rules over the earth
